## HARD SKILLS

JavaScript

TypeScript

React Native

React, Redux/Redux toolkit, Expo, NextJS, Firebase, MomentJS, C#, Python, C, C++

## EXPERIENCE

**Lead React Native developer** **November 2022 - July 2023**  
**"Arios"**

I was the lead developer on the creation of the MoneyTrack pet app. At the beginning, the application was at Expo, but then it was transferred to React Native. I developed the entire frontend and backend, was responsible for the architecture and deployment

**NodeJS Developer** **June 2021 - September 2022**  
**"Chat Bullet"**

My role was to make telegram, viber bots for companies that needed them. I've been coding mostly in JavaScript ES9+ and nodeJS. In projects, I took over all communication with the client, as well as development

**Opencart developer** **June 2020 - September 2020**  
**"Grandway knives"**

I maintained a simple sub-site of the GrandWay company called Elite Knives. I needed to monitor the site, download products from excel spreadsheets and sometimes correct details on the site by adjusting the CSS file
